

Open Play Store (for Android) or the App Store (for Apple)

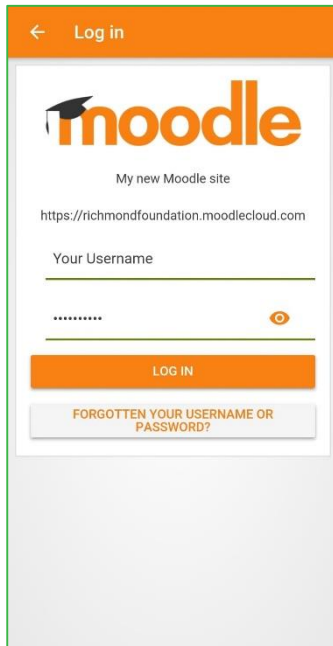

Search for 'Moodle' and Install the app.

Under Your site address, write

<https://richmondfoundation.moodle.school>

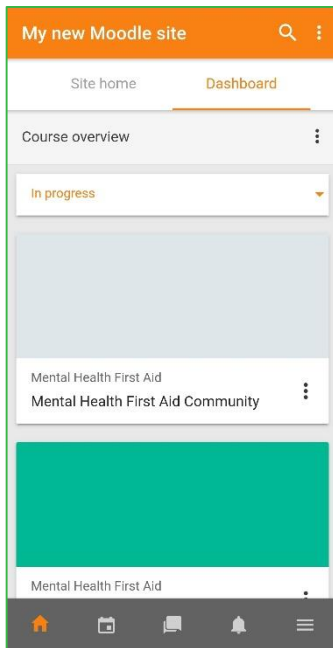

Click 'Connect'

Fill in **Username** and **Password** with the details you were provided.

(The same Username and Password you use to login Moodle from the web)

Click '**Log In**'

Moodle will take you to the Dashboard.

Click on the course and the navigation is the same as the online version.
